LUXE TAPPED TALENTED LOCAL DESIGNERS FOR THEIR BEST SOURCES AND RECOMMENDATIONS TO SHINE A LIGHT ON SOME OF THE BAY AREA'S FINEST OFFERINGS IN ART AND DESIGN.

"Lost Art Salon is a little off the beaten path, but it's so worth the effort of making the trip. The gallery specializes in rediscovering historically significant artists of the Modern era, and it's also incredibly charming; you feel like you are in someone's home going through their personal collection."

-AMANDA TEAL

"Darin Geise at Coup d'Etat presents a collection that is never boring and always challenging. I love the effort he puts into his incredible window displays. I'm also excited to see Holland & Sherry's new showroom. They have the most beautiful fabrics and rugs."

-LINDSAY BRIER

"My favorite local artist is Amy Kaufman. Her pattern-based abstract paintings and drawings are soft and textural. I love her striped and linear prints, and I'm also a huge fan of her circular motifs that brilliantly highlight the imperfect hand of the artist. They are quite beautiful."

CURATOR VESSEL GALLERY

"In Oakland's Uptown district, I transformed a wooden A-frame loft into a 5,000-square-foot showroom. It was originally built in 1906 as a horse livery for the city's fire department. We kept the original wood floors with their weathered charm, as well as the pitched ceiling with old tongue-and-groove wood slats and reclaimed corrugated metal siding that encloses a rooftop garden with custom planters, seating and sculptures. The 10-foot-high ceilings and light-filled French doors make a pristine setting for all of the art. Since our inception, we have put forth many major shows including a giant swarm of hovering locusts in Cyrus Tilton's 'The Cycle' and Beili Liu's 'Between Wind and Water.'"
